September 1, 2016

Dear Parent/Guardian:

Welcome to the Alternative High School Title I Program for the 2016/2017 school year. The purpose of a Title I Program is to increase the educational opportunities for the students being served by providing additional supports and resources to help them achieve success. Title I Programs have the same high standards as all programs provided in the Cherry Hill Public Schools. **Title I is not a label and does not follow your child, it is an opportunity for them to participate in additional supports and services to help achieve success on state standardized tests and in school.**

Our school is a Title I school based on the number of students who receive free or reduced lunch. Our goal is that students work hard to demonstrate improvement in attendance, discipline, math and language arts grades. For additional information, I will be holding an informational session on September 28, 2016 from 6:00 P.M to 7:00 P.M. As your new principal I am looking forward to meeting with you and sharing some important information. Please call the school no later than Monday, September 26, 2016 if you are unable to attend. If we do not hear from you, we will look forward to meeting with you on September 28, 2016 for one hour. Thank you for your support and cooperation as we work together, to provide a quality education for your child and all of the students here at the Alternative High School.

Sincerely,
