Dear Junior Parents/Guardians and students:

Looking to get ahead of the college application game? Well, here's your opportunity! Get started completing college applications before your senior year even begins. Less stress is good for everyone.

Given that more than 75% of Cherry Hill High School college applications are done via the Common Application, Guidance has designed a Common App/Naviance Summer Workshop for **FREE!!!** This workshop will be hosted by School Counselors Darren Gamel and Bert Figueroa and will be held at Cherry Hill High School East. Students (and parents) are welcome to attend any of the sessions. Please take advantage of this incredible opportunity to relieve stress and get a jump start on the college application process.

Students (and parents) are welcome and encouraged to bring their own devices to these workshops, but Cherry Hill Public Schools' computers will also be available for use.
